

Scout Troop 721 To Attend Annual Scout Jamboree

A gigantic Boy Scout Jamboree, which will bring together 50,000 boys scouts from all parts of the globe, is planned for July 17 to 23, according to local scout officials. The jamboree will be held on the Irvine Ranch near Newport Beach. Torrance Troop 721 is planning to attend the annual scouting event, according to Scout Master Harry H. Marshall and Assistant Scout Master James McMillen. McMillen pointed out that some estimate of the jamboree's magnitude is seen by the need of 18,000,000 gallons of water, 2,000 tons of baggage, 600,000 quarts of milk, 100 tons of meat, and 150,000 doughnuts. The camp's budget will total \$2,300,000, and 10,000 scouts will swim in the Pacific Ocean daily.

Dental Care Slides Shown by Guest Speakers at Meet

The January meeting of the Seaside Elementary Parent-Teachers Association was held at the school Cafeterium at 8 p.m. on January 8. Dr. Arthur Berke and Dr. Harvey Cole were the guest speakers for the evening. Dr. Berke is a children's dentist in Torrance, and he presented slides on cavities and X-rays, and spoke about children's teeth and the effect of diet and heredity. Dr. Berke explained the necessity of taking careful care of the children's first teeth. Dr. Berke and Mrs. Byron Johnson both explained the Dental Health Program in Torrance.

Dr. Harvey Cole, a resident of Seaside Ranchos, who practices orthodontia in Redondo, presented slides and explained teeth straightening. There was a question and answer period after both doctors finished with their talks.

Mrs. Wini Mewborn was soloist of the evening, and she was accompanied by Mrs. Lorne Bristol. The Seaside Girl Scouts led the flag salute. Mr. White had the largest number of parents representing the children from his room.

Mrs. Dorsey Gruver, Founders Day chairman, held a meeting at her home for the Life Membership Award Committee. They held their meeting to decide to whom, in Seaside Ranchos, the Life Membership Award should go.

Old University Havana (SF)—One of the oldest universities in the Americas was founded in Cuba in 1728.

STAGE CREW HARD AT WORK ON CLASS PLAY

The stage crew is working extra hard this week trying to finish the backdrops and get all the properties needed for this year's Torrance High School Senior Class Play, "You Can't Take It With You."

The play, a three-act comedy by Moss Hart and George Kaufman, will be presented at 8:15 p.m. on Saturday, Jan. 31, according to Desmond Wedberg, faculty director.

Julia Rhone is student director. Wedberg gave special credit to his hard-working stage crew and backstage workers. Stating that this group of hard working students are usually unseen and unthanked, he expressed his appreciation to Janice Crabtree, stage manager; Carol Campbell and Carol Maloy, script girls; Al Leagus, Jerry Tenny and Louis Houck, lighting; Ed Morgan and Bill Volmerding, sound effects; Jeannette Harris, Nova Owens and Lorraine Miller, properties; Joan Anthony, Carol Davis and Delores McCollum, make-up.

Air Works Best
Akron (SF)—Air-filled tractor tires have been found to be more efficient than water filled tires on sand and loam soils.

Guest Speaker at Lutheran Church

On Sunday, Jan. 25, Dr. Konrad Kosman, president of the California District of the American Lutheran Church, will speak at both worship services at Torrance First Lutheran Church. This Sunday will mark the half-way point of the fund-raising campaign in which the First Lutheran Church is now engaged.

Thurs., Jan. 22, 1953
